JUN 14 2002

GROUP 3600

Dear Sir:

In response to the Office Action dated December 31, 2001, applicant makes the following amendments and remarks.

## IN THE CLAIMS

**Please add the following claims, Claims 67-69.**

67. A product configuration display system comprising:

a data center having a microprocessor operably connected to a storage media, said data center configured to be networked with at least a buyer terminal, said data center configured to receive at least one request to change a product presentation from said buyer terminal;

at least one three-dimensional representation of a first product stored in said

storage media, said at least one representation of said first product capable of illustrating multiple
